Lost Child Found

Captain Kenneth Jamerson of the Appomattox Life Saving Crew led the search for little Regina Martin, daughter of Mr. and Mrs. Richard Martin of Concord, who was lost for nearly eight hours Friday. Gina's grandfather found the child about 2 a.m. Saturday as nearly 150 Rescue Squad members, firemen, county officers, state police, REACT members, and other volunteers combed the heavy underbrush surrounding the area. Gina was pronounced "in good shape" following examination by a physician in Appomattox and return by the Appomattox Rescue Squad to her home.
